

clearing cannabis convictions

We are a non-profit legal aid organization that provides free legal help with expunging/sealing records for people who have been impacted by an Illinois cannabis charge. If you have ever been charged with ANY Illinois cannabis offense, we want to help you clear ALL of your eligible records (including non-cannabis offenses). A cannabis charge is the foot in the door to the program. All of our services are FREE.

Clearing your record can help increase chances for better jobs, housing, and educational opportunities, which in turn can provide for a better life for you and your family.

Signing up for help is extremely easy and only takes a couple of minutes. Sign up at www.newleafillinois.org. The QR code below takes you straight to the sign up page. You can also call us at **872-NEW-LEAF** on Monday through Friday from 9 AM to 4:30 PM.

The damage caused by the war on drugs must be addressed. It's time to turn over a **New Leaf**.
